The following three sections are required in order to complete your application for admission.

Step 1. Attestation Form

I, _____ (student name), have applied for admission to the undergraduate day program at Southern New Hampshire University (SNHU). I understand that one requirement for admission to SNHU is graduation from high school or an equivalent certification.

I hereby certify that:

_____	I graduated from _____
Initial	Name of High School
_____	_____
Date of Graduation	City, State
_____	I earned a GED at _____
Initial	Name of Testing Facility
_____	_____
Date of Graduation	City, State

If for any reason this attestation of high school graduation or GED completion is found to be false or untrue, I understand that I will not have met an admission requirement of SNHU, and thus I will not be considered a regular student and will be subject to immediate dismissal from SNHU.

Furthermore, I understand that if this attestation is found to be false or untrue, all Title IV financial aid and any state or institutional financial aid that was distributed on my behalf must be refunded to the appropriate source and that I will be responsible for payment to SNHU for any and all money refunded.

By my signature below, I attest that the information provided above is true and correct to the best of my knowledge.

Step 2. Disciplinary History (REQUIRED)

1. Have you ever been found responsible for a disciplinary violation at any educational institution you have attended from the 9th grade (*or the international equivalent*) forward, whether related to academic misconduct or behavioral misconduct, that resulted in a disciplinary action? These actions could include, but are not limited to: probation, suspension, removal, dismissal, or expulsion from the institution. Yes No
2. Have you ever been convicted of a misdemeanor (*involving violence or moral turpitude*) or a felony (*of any kind*)? Yes No
Note that you are not required to answer "yes" to this question, or provide an explanation, if the criminal adjudication or conviction has been expunged, sealed, annulled, pardoned, destroyed, erased, impounded, or otherwise ordered by a court to be kept confidential. Yes answers may result in a request to obtain your criminal history information for further assessment regarding behavioral impact on the safety of the educational environment. Criminal convictions do not result in the automatic denial of admission and will be carefully assessed.

If you answered "yes" to either or both questions, please attach a separate sheet of paper that gives the approximate date of each incident, explains the circumstances, and reflects on what you learned from the experience.

Applicants are expected to immediately notify the institutions to which they are applying should there be any changes to the information requested in this application.

Step 3. Student Signature

Southern New Hampshire University does not discriminate on the basis of race, color, national origin, age, or sexual orientation in admission to, access to, treatment in, or employment in its programs and activities. My signature below indicates that all information on my application is complete, factually correct, and honestly presented.
