Summary Profile

After a 10 year career working in public secondary school libraries, Ed joined the faculty of the Shapiro Library in 1987. He has held the positions of both Circulation and Periodicals Librarian over the past 22 years, and in 1991 was asked to develop liaison services to the institution's continuing education center students. Ed served as both the Periodicals and Off-Campus Services Librarian from 1991 through 2004 at which point the separate off campus faculty position was created due to the demands of the University's ongoing growth in off-campus and online programs. Ed coordinates library services for all academic programs delivered outside of the Manchester campus and provides bibliographic instruction and reference assistance both in person and in online formats.
