#### Personal Essay

A personal essay is required as part of this application. Your essay should not exceed two double-spaced, typed pages. You should include how **you meet the specific eligibility criteria of the scholarship**; academic and career goals; past achievements; obstacles that you have overcome; why you chose to attend SNHU; significant activities in school, family, community or work. When writing your essay, personalize it, be honest, and be specific. Your essay also will be evaluated for grammar, style, and content. This is your opportunity to let the scholarship committee know who you are; so the more information you provide the better. It is your chance to shine.
