MBA in Accounting

Attain financial expertise and a foundation in business management with Southern New Hampshire University's Accounting MBA. Students will obtain the business knowledge inherent in a quality MBA program plus the knowledge and skills they need for capital budgeting, financing and portfolio management.

Get the financial and business management knowledge and skills you need to succeed in a variety of management-level positions.

In addition to a solid business management background, your Accounting MBA will give you the skills to:

- apply accounting and economic principles for effective business planning.
- utilize information technology for competitive advantage in the marketplace.
- use quantitative analysis tools in the operation and management of organizations.
- employ sound financial management practices in managing businesses.
- consider implications of tax factors in financial planning decisions.

Accounting MBA Program Benefits

- A top-quality Accounting MBA in 18 months with as few as 39 credits
- One of the most affordable Accounting MBA programs
- An MBA accounting concentration that prepares you for management positions in business, accounting and finance
- A U.S. News & World Report Tier 1 university
- No GMAT or GRE required
- Take classes online, on campus, or both
- Learn from experienced faculty with real-world business experience

SNHU has received numerous awards, including New Hampshire Business Review's Best MBA and Best Online Program awards, geteducated.com Best Buy awards and the Military-Friendly School designation.

SNHU, based in Manchester, N.H., has been educating business leaders for more than 75 years. We've offered online business programs since 1996.

Legacy of Accounting Program Excellence

Southern New Hampshire University has a longtime and highly respected accounting program, having been founded as the New Hampshire School of Accounting in 1932. The Accounting Department chair is also the current president of the New Hampshire Society of Certified Public Accountants.

SNHU's long history in the accounting field has many benefits for students. Faculty and alumni are often able to connect MBA Accounting students with professionals in the accounting, finance, and business management fields.

Accounting MBA Career Outlook

An SNHU Accounting MBA can help you advance in your career. Our graduates work in top accounting firms across the U.S. and in management-level positions in a range of industries. Gain the management and financial background that is in demand by corporations all over the world.

The Accounting MBA prepares you for positions in fields such as:

- business management
- financial management
- tax planning
- banking
- budgeting/budget analysis
- cost accounting/management
- financial reporting/planning

The U.S. Bureau of Labor Statistics predicts job growth in accounting management-related fields of up to 22 percent by 2018.
