# Go Meet Your Customers' Needs

## MBA in Operations and Supply Chain Management

Learn how you can help your organization better meet an array of customer needs with an MBA in Operations and Supply Chain Management from Southern New Hampshire University. This master's degree will provide understanding of core processes that drive the production and movement of goods in both national and international markets.

Students will learn how to use such widely implemented software as Minitab, SPSS and Excel Solver. Courses also will help students prepare for the Six Sigma Green Belt and Black Belt certification exams.

This program is ideal for those who wish to become:

- operations or supply chain managers
- production planners or logistics engineers
- purchasing, distribution or inventory control managers
- quality managers
- industrial engineers
- plant, warehouse or materials managers
- master schedulers

With SNHU's MBA program, one of the most affordable in New England, you obtain the knowledge and skills you expect from an MBA program, plus expertise in your field of interest. No GMAT or GRE required.

Choose from several concentrations and earn your specialized MBA in 18 months from a real university. Courses are available online and on location at our centers in Manchester, Nashua, Portsmouth and Salem, NH, and Brunswick, Maine.

SNHU, based in Manchester, NH, has been educating business leaders for more than 75 years. Our online business programs, offered since 1996, have won Best of Business, Best Buy and other awards.

### Why the MBA in Operations and Supply Chain Management at SNHU?

SNHU's MBA in Operations and Supply Chain Management offers a blend of business acumen with planning and operations skills, all in the name of the bottom line. Students take courses that focus on corporate leadership, service operations management, applied statistics and international supply chain management, all dialed into current business trends while keeping an eye on the future of the global economy.

As a private, nonprofit university, SNHU focuses on ensuring you have the skills you need to succeed. Whether you enroll in the operations and supply chain management degree program online or at any of our five regional campuses, you will benefit from all that SNHU has to offer:

- Quality education at one of the **most affordable tuition rates available**
- **Choose how you want to learn:** Online, campus-based or a combination of both
- Professors and instructors who are **actively involved** with their students' success
- **High-quality instruction** from SNHU's business faculty that apply principles and theories to real-world business situations in class
- Students in our MBA programs have **24/7/365 access to class** – attend when it is most convenient for you
- A US News and World Report Tier One university and recipient of the Best of Business award
