Go Master The New Tools

MBA in Project Management

Southern New Hampshire University's MBA in Project Management students will master the latest software tools that Fortune 500 corporations and small- to mid-size companies are demanding.

Students will obtain the business knowledge inherent in a quality MBA program plus attain the knowledge you will need to take the popular professional certifications that will enhance career advancement and lead to greater earning potential.

The MBA in Project Management will prepare students for job opportunities in project-intensive industries, such as:

- construction
- software development
- aerospace
- consulting

With SNHU's MBA program, one of the most affordable in New England, you obtain the knowledge and skills you expect from an MBA program, plus expertise in your field of interest. No GMAT or GRE required.

Choose from several concentrations and earn your specialized MBA in 18 months from a real university. Courses are available online and on location at our centers in Manchester, Nashua, Portsmouth and Salem, NH, and Brunswick, Maine.

SNHU, based in Manchester, NH, has been educating business leaders for more than 75 years. Our online business programs, offered since 1996, have won Best of Business, Best Buy and other awards.
