## Master of Science in Organizational Leadership

Whether economic times are booming or troubled, one thing remains constant: the need for good leadership. Southern New Hampshire University's M.S. in organizational leadership gives you the competitive advantage to succeed in today's dynamic business environment. No GMAT or GRE required.

Students in SNHU's M.S. in organizational leadership program develop skills in leadership, communication, problem-solving and teamwork. These skills are critical for successfully managing and leading organizations.

Why pursue an M.S. in organizational leadership at Southern New Hampshire University? Faculty have a wide-range of corporate leadership experience. An affordable and accelerated program that can be completed in 18 months. Flexible program can be completed part- and full-time in both online and classroom formats. Students will learn the skills to be effective change agents.

### Required Course Work

The 12-course (36-credit) program is designed for experienced professionals who are seeking to advance in their careers and for individuals with limited professional experience who are seeking to develop skills that will prepare them to successfully manage and lead teams, departments, areas and organizations.

### Career Outlook

Organizational leadership graduates will find a healthy job market with a wide variety of career opportunities.

According to the U.S. Bureau of Labor Statistics, a master's in organizational leadership can provide careers in nearly any business organization. The Bureau states that demand for public relations, marketing and sales managers, as well as management analysts, is expected to grow by 78 percent by 2016. Many management positions are in a variety of fields and can be focused on finance, human relations, consulting, marketing or promotions.
