

A Tradition of Excellence

Join The Penmen Club

The rich tradition of athletics has long been a source of pride for the family and friends of Southern New Hampshire University. From the glory days of the Greater Boston Small College Conference to the present status as a NCAA Division II powerhouse, the Penmen have maintained a level of excellence that is second to none.

Numerous individual and team achievements have brought Southern New Hampshire University both local and national recognition, which has attracted a number of very talented student-athletes to Southern New Hampshire University from throughout the United States and the world. More than 200 student-athletes at Southern New Hampshire University participate in 16 varsity sports. To continue to improve current programs and give these athletes the resources they need to succeed, SNHU needs support from its alumni, parents and friends.
