(month/day/year)

Check One: My Program is  4 year  3 year  2 year  ESL  Graduate

Check One: I will be a  Freshman  Transfer  Returning Student

Check One: I am a  Smoker  Non-Smoker

The university reserves the final right of assigning rooms and roommates and the right to inspect rooms when this is related to the university's ability to maintain an atmosphere of learning and the accomplishment of its educational goals. Possible reasons for inspection include: security, fire hazards, health hazards and other situations that impede the educational process. New students, with the exception of graduate students, married students, or students residing with their parent(s)/guardian, are required to maintain a university residence for a minimum of two semesters or terms.

The Residence Agreement and Preference Form must be returned within 30 days of deposit receipt for both September and January entries for the Undergraduate Day Program. For any other start date, this form must be received 30 days prior to the start of the semester. These are priority dates for assignments.

I agree to be knowledgeable and abide by all the rules and regulations as outlined in the Student Handbook, on the Web at @ [www.snhu.edu/2103.asp](http://www.snhu.edu/2103.asp) and the university catalog. I understand that the university reserves all rights concerning inspection of room, assignments, or re-assignments of residence and/or the termination of this agreement. I further understand by this agreement that disciplinary action may be taken when an infraction of any rule or regulation has been discovered and proven.

The university is not responsible for loss of personal property in university housing by fire, theft, or any other cause. The university retains the right to approve residency during any academic recess at an additional fee. I also understand that my room assignment is terminated automatically after my last final. Seniors participating in Senior Week activities will be provided alternative residence hall accommodations for the program.
