Please answer the following questions so we may attempt to serve your needs as a resident student. The University reserves the final decision on the assignment of residences and roommates. The priority of your room assignment is determined by the date your residence deposit is received at the University.

This form must be received within 30 days of deposit receipt for both September and January entries for the Undergraduate Day Program. For any other start date, this form must be received 30 days prior to the start of the semester or term.

6. How would you describe yourself to a potential roommate?

(signature)

(date)

New students, with the exception of graduate students, married students, or students residing with their parents or legal guardian, are required to maintain a campus residence for a minimum of two semesters. I understand that this reservation obligates me to the cost of the room and board.

Southern New Hampshire University accepts students without regard to race, color, creed, sex, national origin, handicap or sexual orientation.
