ARTICULATION AGREEMENTS

Articulation Agreements reflect the process of developing a formal, written agreement that identifies courses (or sequence of courses) of a ‘sending’ institution that are comparable to, or acceptable in lieu of, specific course requirements of a ‘receiving’ institution.

Southern New Hampshire University (SNHU) has a liberal transfer credit policy where students can transfer up to 45 credits toward an associate degree and up to 90 credits toward a bachelor's degree. For additional information regarding transferring credits, please access the Transfer Credit FAQs.

The Office of Academic Quality, Accreditation and Support maintains the list of schools and colleges with which Southern New Hampshire University (SNHU) has articulation agreements. Please email accreditation@snhu.edu with any questions.
