

# ARTICULATION AGREEMENTS

Articulation Agreements reflect the process of developing a formal, written agreement that identifies courses (or sequence of courses) of a 'sending' institution that are comparable to, or acceptable in lieu of, specific course requirements of a 'receiving' institution.

Southern New Hampshire University (SNHU) has a liberal transfer credit policy where students can transfer up to 45 credits toward an associate degree and up to 90 credits toward a bachelor's degree. For additional information regarding transferring credits, please access the [Transfer Credit FAQs](#).

The Office of Academic Governance, Operations and Standards maintains the list of schools and colleges with which Southern New Hampshire University (SNHU) has articulation agreements. Please email [AcadAgreements@snhu.edu](mailto:AcadAgreements@snhu.edu) with any questions.
