

# COLLEGE COST COMPARISON WORKSHEET

It's important to compare costs when choosing a college. Use this chart to compare the estimated cost to earn a bachelor's degree online from SNHU with other schools you're considering.

You can use our **net price calculator** to help figure out your total estimated cost of attendance, and you can customize your cost based on full-time or part-time attendance and whether you plan to transfer credits from another college or university. For a bachelor's degree, you can transfer up to 90 credits, significantly lowering your total cost of attendance.

|                              | SCHOOL 1                               | SCHOOL 2 | SCHOOL 3 |
|------------------------------|--|----------|----------|
| School Name                  | SNHU                                   |          |          |
| Total credits required       | 120                                    |          |          |
| Cost per credit              | \$330                                  |          |          |
| ESTIMATED COST OF ATTENDANCE |  |          |          |
| Tuition                      | ( <u>      </u> credits x \$330)<br>\$ |          |          |
| Application fee              | \$0                                    |          |          |
| Graduation fee               | \$150                                  |          |          |
| Books and supplies           | (avg. \$100 per course)<br>\$          |          |          |
| TOTAL COST                   | \$                                     |          |          |
| ESTIMATED FINANCIAL AID      |  |          |          |
| Federal grants               | \$                                     |          |          |
| Employer tuition assistance  | \$                                     |          |          |
| Military benefits            | \$                                     |          |          |
| Institutional aid            | \$                                     |          |          |
| Scholarships                 | \$                                     |          |          |
| Federal loans                | \$                                     |          |          |
| Private loans                | \$                                     |          |          |
| Other aid                    | \$                                     |          |          |
| TOTAL FINANCIAL AID          |  |          |          |
| ESTIMATED OUT-OF-POCKET COST |  |          |          |
| Total cost of attendance     | \$                                     |          |          |
| (minus) Total financial aid  | \$                                     |          |          |
| TOTAL OUT-OF-POCKET COST     | \$                                     |          |          |
