

# COLLEGE COST COMPARISON WORKSHEET

It's important to compare costs when choosing a college. Use this chart to compare the estimated cost to earn a bachelor's degree online from SNHU with other schools you're considering.

You can use our **net price calculator** to help figure out your total estimated cost of attendance, and you can customize your cost based on full-time or part-time attendance and whether you plan to transfer credits from another college or university. For a bachelor's degree, you can transfer up to 90 credits, significantly lowering your total cost of attendance.
