Camden County College Degree Credits	60-90	SNHU Online BS Data Analytics Credits Required	120

***Students who take both MTH140 and MTH150 within the past 10 years and earn a C- or higher will be able to waive the requirements for MAT-136 and MAT-140. This will add 6 total credits to Free Electives.*

**** There may be some differences between what is considered a "General Education Elective" at SNHU and your institution. Please confirm transferability with your SNHU contact.*

Transfer Credit Policy

* Excess general education credits are transferred as free elective credit, if available.

- This guide serves as a mapping tool for students and is based upon SNHU Online's Jan. 2026 Academic Catalog at time of enrollment and this institution's equivalent academic year. Transfer equivalents earned prior or subsequent to this academic year will be evaluated on a case-by-case basis for transfer equivalency.
- Students must earn a grade of C- or better for course transfer.
- Students may transfer up to 90 credits if previous credits earned meet SNHU's degree requirements and academic standards for transfer.
- Students must take at least 30 credits (10 classes) at SNHU to be awarded a bachelor's degree.
