Central Carolina Technical College Degree Credits	64-90	SNHU Online BS Environmental Science Credits Required	120

***There may be some differences between what is considered a General Education Elective at SNHU and your institution. Please confirm applicability with your SNHU contact.*

****The courses reflected above total more than 90 credits to show how individual courses will transfer. Please note that students may only transfer a maximum of 90 credits into a SNHU bachelor's program.*

Transfer Credit Policy

* Excess general education credits are transferred as free elective credit, if available.

- This guide serves as a mapping tool for students and is based upon SNHU Online's 2023/2024 Academic Catalog at time of enrollment and this institution's equivalent academic year. Transfer equivalents earned prior or subsequent to this academic year will be evaluated on a case-by-case basis for transfer equivalency.
- Students must earn a grade of C- or better for course transfer.
- Students may transfer up to 90 credits if previous credits earned meet SNHU Online's degree requirements and academic standards for transfer.
- Students must take at least 30 credits (10 classes) at SNHU Online to be awarded a bachelor's degree.
