

## Notice - Fraudulent Purchase Orders

Valued Supplier,

Over the past year, colleges across the country have experienced fraudulent Purchase Orders targeting suppliers posing as educational institutions.

Southern New Hampshire University suppliers have experienced similar emails over the past several weeks. These Purchase Orders are being generated and sent to suppliers with non-legitimate email domains.

Official Southern New Hampshire University Purchase Orders will always be sent from **SOURCING@SNHU.EDU** address. We have been in contact with the Federal Bureau of Investigation over this matter.

If you receive a Purchase Order sent from any non-legitimate email domain impersonating Southern New Hampshire University, please forward to Southern New Hampshire University Procurement Department at [sourcing@snhu.edu](mailto:sourcing@snhu.edu) or call 603-645-9622. If an order appears to be suspicious or out of the normal order cycle, please contact us to verify its authenticity.

Thank you,
