Ivy Tech Community College A.S. Nursing Credits	69+	SNHU-COCE B.S. Nursing Total Credits Required	120

- * Excess general education credits are transferred as free elective credit, if available.
- This guide serves as a mapping tool for students and is based upon SNHU-COCE 2018/2019 Academic Catalog at time of enrollment and this institution's equivalent academic year. Transfer equivalents earned prior or subsequent to this academic year will be evaluated on a case by case basis for transfer equivalency.
- RN to BSN Admission Requirements:
 - Hold an earned diploma or associate degree in nursing from an accredited nursing program (ACEN, CCNE, and CNEA) OR state Board of Nursing approved program that prepares students for the NCLEX-RN exam
 - Have a cumulative GPA of at least 2.5 on the degree awarding transcript OR a cumulative GPA between 2.0 and 2.49 on the degree awarding transcript with a minimum of nine (9) credit hours earned subsequent to the diploma or associate degree with at least a 2.5 cumulative GPA.
 - Students who do not hold a nursing license and have graduated from a nursing program within three months may be admitted if they meet all other admission requirements. Evidence of licensure must be provided within three months from date of admission.
 - If you are an RN to BSN student interested in the Accelerated RN to MSN, contact an SNHU admission counselor or your SNHU academic advisor for more information as admission into the RN to MSN program is contingent upon a 3.5 GPA and dean approval.
- Nursing students are required to maintain a B- or better in core major courses.
- Students may transfer up to 90 credits if previous credits earned meet SNHU-COCE's degree requirements and academic standards for transfer.
- Students must take at least 30 credits (ten classes) at SNHU-COCE to be awarded a bachelor's degree.
