Credibility

Is the resource from a credible source?

Reasonable

Is the reviewing time reasonable on top of the required module work?

Purpose

What is the purpose of sharing the resource?

Medium

Is the medium used in the resource appropriate and clear for the content being addressed or clarified?

Consider if this is an anticipated need or a response to a course/student need.

Once the resource has been deemed helpful and relevant, it is important to determine how you will introduce it to the course.

Summarize

Synthesize

Support

What are some key takeaways?
How can this resource be applied to the course concepts from the module?

Why would it be beneficial for students to take time to read/watch this?
