Total Credits			62	Total Credits Transferred to SNHU 60*

* 4-credit courses leave students with an additional 1-credit per course that will be transferred as a free elective in corresponding discipline. While all credits transfer, 60 out of 62 credits are applied to the program, as two additional credits from 4-credit courses would not fit into the degree requirements.

This document is based upon the current 2017-2018 curriculum at both institutions. Courses and requirements are subject to change.
