

RSA 188:H Campus Climate Survey
Southern New Hampshire University Campus
Spring 2022

Thank you for agreeing to participate in the RSA 188-H Sexual Misconduct Climate Survey. This survey is being sent to all University students across the state of New Hampshire or any student of a New Hampshire based institution as a part of a statewide effort to combat sexual violence at institutions of higher education. Your participation in this survey is entirely voluntary. On behalf of Southern New Hampshire University, I want to take this opportunity to thank you for your participation in this survey. Your responses will help support all students who have experienced sexual harassment by improving training and programming for students.

Your participation in this survey is voluntary and you have the right to withdraw your consent or discontinue participation at any time. All responses are confidential and will not be linked to your IP address, name, email address or any other identifying information.

The University recognizes that some of these questions may be triggering for those with past trauma and we recommend that you take breaks as necessary or seek out any of the available resources shared as part of the survey if you need further support. For immediate support, we highly encourage students to utilize the HelpU Program for access to short-term counseling. To access the HelpU Program, please call 800-327-2251 or [click here](#) to access the HelpU site with the username SNHU.

As a reminder, responses recorded on this survey are not a formal report to the University. If you would like to make a report regarding any incident of sexual harassment or sexual misconduct, please contact me at k.scaduto@snhu.edu or (603) 644-3188.

Thank you again for your participation in the survey and assisting the University in creating a safe and inclusive environment for all.
