Why SNHU?

As a proud supporter of our military, Southern New Hampshire University created online programs over 20 years ago specifically to help servicemembers continue their education. Named a GI Jobs Military Friendly® School since 2009, we offer career-focused degrees designed to ease your transition to civilian life.

We're here to help with:

- **Affordable rates.** Servicemembers and spouses receive generous online tuition discounts – 30% for undergraduate programs and 25% for graduate degrees.
- **Student support.** Count on dedicated military admission, academic and career advisors, every step of the way.
- **Seamless Transfers.** Transfer up to 90 credits toward your undergraduate degree from military experience and prior coursework.
- **Minimal requirements.** No standardized test scores like SATs, GREs or GMATs are required.
- **Convenient setting.** Take courses in a flexible and supportive 24/7 online environment.
